RE: Request for Event Sponsors

The 56<sup>th</sup> Annual Paving Conference will be held at Martins West on March 14, 2018. Previous conferences have been very successful in generating an excellent forum for the sharing of ideas and concerns by bringing together key personnel and decision makers from both the construction and road building industry, as well as Federal Highway and State Highway Administrations.

These conferences are extremely well planned and coordinated with participation of over 300 expected attendees. Your sponsorship will support this conference, provide name recognition and generate goodwill.

**CONFERENCE SPONSORSHIP**

Regular \$250.00  
Silver \$400.00  
Gold \$500.00
